Could your clients be making assumptions about your bare empty walls?

## Is your corporate interior tired and in need of a change?

Your choice of art says a lot about your company it strengthens your corporate image, improves your client's first impression of you and makes a bold statement of your company's identity. It's also one of the most immediate ways for you to advertise your success in business. ***But could dull empty uninspiring walls be giving the reverse impression?***

Based in London UK Art Rental has been supplying quality art to prestigious buildings since 2006 offering clients a low cost art rental solution that allows you to attain a stunning art collection for a fraction of the cost of ownership. The perfect addition to your workplace you can now bring innovation and prestige to your reception, offices, and boardrooms creating a stylish stimulating working environment for your clients and employees to enjoy.

## A low risk cost effective solution from only 30p a day!

In this economic climate renting art is an easy low risk cost efficient way to transform dull uninspiring walls into stunning focal points that show you mean business. It's outstanding value especially when compared to the cost of building and maintaining your own art collection.

***Now you can now rent a stunning art collection from as little as 30p a day, create a prestigious work environment, make a bold statement to your clients and all for a fraction of the cost of ownership.***

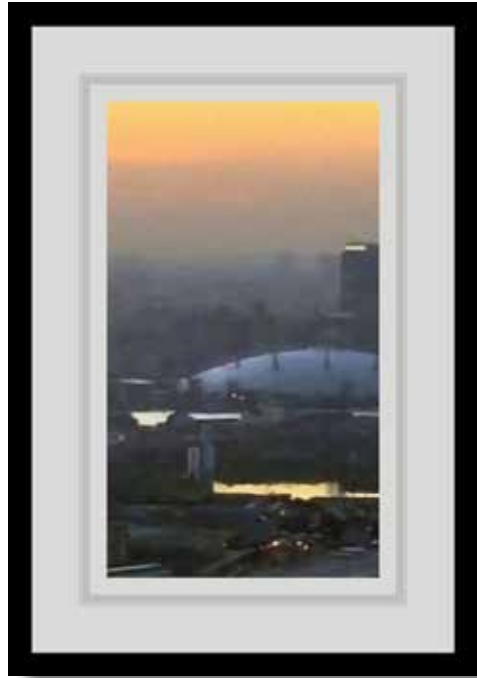

## Choosing the right art for your organisation

As a quality establishment, you know how important it is to create a welcoming impression for your your clientel as well as a stimulating environment in which to work. That's why more and more premises are incorporating art into their interiors. But acquiring a suitable art collection can be a very expensive, daunting and stressful task.

With artworks costing £1,000's how do you stretch your budget? Easy, rent art.
